Dated, Nirjuli, the 18th June, 2020

NOTIFICATION

Subject: Option for change of most preferred test city for NEE-2020 within their own state or present location state-reg

The online application process for admission to different module under NEE-2020 for session 2020-21 ended on 21/03/2020. The entrance examinations for different modules were scheduled in April 2020. However, to prevent the spread of COVID-19, lockdown was imposed with effect from 24/03/2020 due to which all the entrance examinations of the institute were postponed.

While submitting the online application form, the applicants had given a choice of 2 test cities in order of preference. The institute has decided to allot to any applicant his/her most preferred test city **within their own state or present location state**. However, there could be a number of applicants who had initially opted for a particular test city as choice 1, have now moved to other state during the lockdown and it might be inconvenient for them to appear in the entrance test at the test city originally opted. For such candidates, NERIST is giving an option to request for change in most preferred test city **within their own state or present location state**.

The candidate should identify the test city (from the list of test cities given in **NEE-2020 Information Brochure**) as per above decision.

- The applicants should login on the neonline portal (<http://neeonline.ac.in/> or <https://nerist.ac.in/>) using their login id and password.
- They should click on the centre change icon, thereafter only one city from the list of the test cities in the dropdown to be selected as choice 1, which is **within their own state or present location state**.
- The test city selected in this manner would be treated as the most preferred test cities of the concerned applicant for all the modules he/she has opted now. **In case, a candidate does not opt any change, earlier 1st option will be given.**

Important Notes:

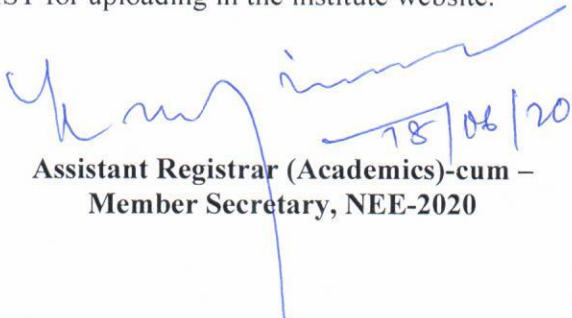

- The request for change in centre must be received by the institute in the aforesaid manner by **28/06/2020**. No request for change will be entertained after said date.
- The change in test city will be entertained only once.
