

**INSTRUCTIONS TO BE FOLLOWED BY THE STUDENTS WHILE ATTEMPTING THE END SEMESTER
EXAMS, JUL-DEC. 2020**

1. Take the test seriously, as if writing real offline exams on paper. You **must complete the test within 180 minutes** after clicking “StartTest”. The test window will remain open for 24 hours (from 10:00 AM of the date mentioned in the Exam schedule to 10:00 AM of next day) in view of possible connectivity issues in remote locations. **Click “Start Test” ONLY ONCE** and wait for the test to load.
2. Use of NERIST [Perfectice App](https://play.google.com/store/apps/details?id=com.myperfectice.nerist)(play.google.com/store/apps/details?id=com.myperfectice.nerist) on android mobile is **strongly** recommended. If your android mobile has less than 4GB RAM, or if you don't have android mobile, then use browser and access the test at <http://perfectice.nerist.ac.in>.
3. In case you are taking the test in mobile phone, please **don't press the Back button**. You can use the PREVIOUS button on the test screen instead, to move to previous question. In case you are accidentally out of the test screen or your device freezes, you must resume the previous attempt. For this, remove the App from the history or close the browser directly to get the resume option when you open the test again.
4. You shouldn't accept any calls during the test or else the test will be auto-finished. **You must decline all incoming calls during the test and not make any outgoing call.**
5. **Make sure to click the FINISH button at the end of the exam. You may go to REVIEW before finishing. Remember, the test will auto-finish after 180 min from start.**
6. Take the test only once. Once successfully submitted and the status beside the test name shows “Attempted”, **don't try to take the test again**. Else, the status will change to “Abandoned”.
7. Ignore the attempt/accuracy count on the dashboard.
8. If writing the test on a computer, press **Escape** to come out of the full screen in case you need to access any settings like connectivity or Bluetooth, etc.
9. If you want to type the descriptive answers, type it in the answer box for descriptive questions. **Please note that uploaded type-written files won't be evaluated.**

10. If you are writing on paper, **IT IS RECOMMENDED THAT YOU USE THE INBUILT CLICK PICTURE OPTION IN THE APP.** You should **immediately click the photo (upload the PDF file if can't use the App) to the question upon finishing that answer.** The test will be auto-finished after 180 min. You can move to NEXT question while a file is still uploading. You must click photo of all pages/ start uploading of all files within 180 min and the upload will continue even after 180 min. Don't close the app/ browser till you get the successfully submitted confirmation.
11. You must **put your running Signature (NOT NAME) and Roll No. vertically on the right side of each page of the handwritten answers before clicking photo/scanning.**
12. In case you face any problem in uploading the photo/ compiled PDF files for descriptive answers, send the files to **<teacher's email address>with your name, roll number, and phone number.** **THESE FILES MUST NOT BE TAMPERED AFTER THE TEST IS SUBMITTED AND SHOULD BE THE SAME FILE YOU COULDN'T UPLOAD ON THE TEST SCREEN.** HOWEVER, THIS OPTION IS DISCOURAGED AND SHOULD BE USED ONLY FOR VERY POOR INTERNET CONNECTIVITY.
13. Answer all the questions. The maximum marks for each question will be visible on individual questionscreen.The question paper consists of MCQs (40%), short-descriptive (40%), and long-descriptive questions (20%). This paper is of 80 marks (100 marks for PhD).
14. **Each descriptive answer must be original in terms of style and content.** If the descriptive answers are found to be similar among the students, the marks scored will be divided equally among them.
15. In case of any problem, report the problem immediately over **WhatsAppto 9402275849** mentioning **your name and course code in a single message and wait patiently for reply. YOU WILL POSITION YOURSELF AT THE END OF THE QUEUE WITH EVERY NEW MESSAGE.** Please note that **NO PHONE CALLS WILL BE ATTENDED AND CALLING THIS NUMBER WILL ONLY DELAY THE WHATSAPP RESPONSE.**
