

NERIST HEALTH UNIT

Dated 19.03.2020

ADVISORY

1. As per the DoHFW, GoAP notification dated 18.03.2020, all persons with travel history to a COVID 19 affected country or parts of India in the last 14 days MUST report to the nearest health centre by call or in person.
- 2) All such persons, even if NOT experiencing symptoms of fever, cough, breathing difficulty SHOULD ISOLATE themselves at home and cover their nose and mouth with a mask and take proper precautions to avoid any person including family members for 14 days from the date of arrival from such areas .
- 3) Persons who do not observe the Home Quarantine guidelines shall be quarantined in govt quarantine facilities.
- 4) Also, it is our earnest request to all to AVOID coming to NHU for administrative / office works like submitting M.R.bills for the time being. This is being done to minimize every possible risk of exposure to infection.
- 5) Further, patients are requested to avoid visiting doctors in their homes as a measure to avoid spreading of infection.

All concerned are requested to be responsible and cooperate.
