About the Institute

The North Eastern Regional Institute of Science and Technology (NERIST) is a unique institute of its own kind in the country, having unconventional and innovative academic programmes. It is an autonomous institute under MHRD, Govt. of India. It was established in 1983 to produce technical manpower at various levels and to meet the technical requirements for all round development of the North Eastern states. NERIST got the status of deemed-to-be-university on 31st May 2005 under section 3 of the UGC Act 1956.

Objective of the Programme

The participants will be introduced to the basic concepts of accelerators and detectors. They will get down to the nitty-gritty of the world's largest and most powerful particle accelerator --- the Large Hadron Collider.
