

World Environmental Day was celebrated by Unnat Bharat Abhiyan (UBA) cell of NERIST on 5th June 2022 by planting saplings of various tree species

World Environmental Day was celebrated by Unnat Bharat Abhiyan (UBA) cell of NERIST on 5th June 2022 by planting saplings of various tree species under the leadership of Prof. P. Lingfa, Regional Coordinator (RCI) UBA and Dr. T. Patel, Coordinator, UBA, NERIST, Nirjuli-791109, Itanagar, Arunachal Pradesh. More than 50 plant saplings of various tree fruits bearing plants were planted in the road sides of the campus, near NERIST playground. On the occasion of World Environmental Day 2022, Prof. Lingfa, RCI, NERIST briefly stated the importance of tree plantation as an essential tool to reduce the impact of global warming and climate change on human society and various ecosystems, and encouraged to make the campus CLEAN and GREEN for a healthy working environment. Dr. Patel, stated that these kind of programme motivate the people for exploring healthy environment. The other faculty members of UBA member's committee, students and staffs also participated during the plantation activity.

Prof. P. Lingfa, Regional Coordinator (RCI) UBA NERIST and Dr. T. Patel, Coordinator, UBA, NERIST and other UBA NERIST members planted tree in the road sides of the campus, near NERIST playground
