Dear Sir,

As the Institute's programme has been affiliated to North Eastern Hill University, Shillong and has already been recognised by the Govt. of India, the Base Module (Certificate Course) of NERIST may be taken as a recognised programme comparable to +2 stage qualification. We have already issued the letters to some of the candidates. Kindly write to us if there is any difficulty in acceptance of the qualifications.

As discussed we have noted that the products of the Base Module Certificate Course are not eligible for JEE etc. as the science stream subjects comparability has still to be decided.

Thanking you,

Yours faithfully,

K C Kalra
