This Memorandum of Understanding (MOU) is entered into on this 27th day of November 2018 between North Eastern Regional Institute of Science and Technology (henceforth called NERIST) represented by M K CAMDER, Registrar, NERIST and Advanced Level Telecommunication Training Centre, Ghaziabad represented by Shri M. K. Seth (Sanchar Ratna) Chief General Manager(henceforth called ALTTC)

Background

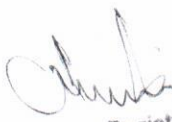

About NERIST

North Eastern Regional Institute of Science and Technology (NERIST) is a science and technology oriented higher education institute in Nirjuli, Itanagar, in the Indian state of Arunachal Pradesh. Established in 1984, it is a deemed-to-be-university, autonomous, fully funded and controlled by the Ministry of Human Resource Development, Government of India. The institute is managed by a Board of Management, comprising representatives of MHRD, the eight beneficiary states of the North Eastern region, AICTE and educationists. The state governor of Arunachal Pradesh is the de facto head of the highest body, NERIST Society, which consists of education ministers of all North Eastern States.

About ALTTC

Advanced Level Telecom Training Centre (ALTTC), Ghaziabad is an apex level telecom training centre of Bharat Sanchar Nigam Limited, ALTTC is also an ISO 9001:2008 certified institution, set-up jointly by ITU (International

Telecommunication Union), UNDP (United Nations development program) and Govt of India around forty years ago. ALTTC Ghaziabad is ITU center for Excellence for Asia-Pacific region in Wireless and Fixed Broadband, Internet of Things(IOT) and Cyber security for next Four years i. e. 2019- 2022. ALTTC is having state-of -the-art telecom technology labs, vast infrastructure and a self sustained campus full of amenities for trainees and residents. ALTTC is supported by well qualified and industry experienced trainers which places the centre in unmatched position in the telecom technology arena.

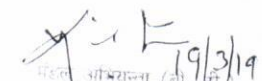

ALTTC is a pioneer Telecommunication Training Centre and a unit of Bharat Sanchar Nigam Limited, PSU, under the Ministry of Communication and Information Technology imparting training in Telecommunications and its related field like NGN-IMS (Next Generation Network- Internet Protocol Based Multimedia Subsystems), Optical Fibre Technology, Access Network, Broadband Networks, Mobile Networks, Satellite Systems, Instructional Technology and areas of IT & Cyber Security.

Scope and Purpose of this MoU

- 1) Design/Incorporate of special modules in Telecommunication for updating the knowledge and skills of NERIST students
- 2) Offer specialized internship program for students of NERIST
- 3) Offer joint certified course in RF Engineering, Optical Fibre Networks, Mobile IP Networking etc
- 4) Extending the facilities of ALTTC, (Ghaziabad) to different regions in UP for giving industry exposure to the students so that the students may not travel to the centre at Ghaziabad
- 5) To organize Industrial Training Programs like Summer/Winter/Weekend/Project trainings, Industrial visit to ALTTC, (Ghaziabad)
- 6) Conduct different programs like soft skills, motivational programmes, leadership programmes, team building programmes etc
- 7) Collaborative working for live projects, research projects, and Hitech courses in Telecommunication Technology
- 8) Employability enhancement training programme for students as per Industry standards
- 9) Organize joint faculty development programs
- 10) NERIST will circulate this MOU at the website of NERIST.
- 11) NERIST will advice to send at-least 30 students from each college of NCR for pursuing industrial training at ALTTC in a particular session. This will be
